

DAE-BRNS symposium on "Contemporary and Emerging Topics in High Energy Nuclear Physics (CETHENP 2022)"

Contribution ID : 147

Type : **Invited talk**

## **Di-lepton polarization and anisotropy in relativistic heavy-ion collisions**

*Tuesday, 15 November 2022 12:15 (30)*

**Presenter(s)** : Dr JAISWAL, Amaresh

**Session Classification** : Day 1: Session 2
