

DAE-BRNS symposium on "Contemporary and Emerging Topics in High Energy Nuclear Physics (CETHENP 2022)"

Wednesday 16 November 2022

Day 2: Session 2 (11:40-13:00)

-Conveners: Sourav Sarkar

time	[id] title	presenter
11:40	[100] The impact of memory on heavy quarks dynamics in hot QCD medium.	Mr PRAKASH, Jai
12:00	[141] Recent results on bottomonium production from the LHC	Dr CHOUDHURY, Subikash
12:30	[144] Quarkonia production in ultra-peripheral collisions at RHIC	Dr IKBAL, Ashik
