

# International Conference on Physics and Astrophysics of Quark Gluon Plasma (ICPAQGP-2023)

## Thursday 09 February 2023

### Plenary Session V (Chair : Prof. Rajiv Gavai) (09:00-10:30)

time	[id] title	presenter
09:00	[209] Latest theoretical developments towards the understanding strong interactions in presence of electromagnetic fields	Prof. PISARSKI, Rob
09:30	[210] Recent developments in lattice QCD	Prof. SCHMIDT, Christian
10:00	[211] Phase diagram of strongly interacting matter	Prof. PAWLOWSKI, Jan M.
