

International Conference on Physics and Astrophysics of Quark Gluon Plasma (ICPAQGP-2023)

Thursday 09 February 2023

Plenary Session VI (Prof. Rajeev Bhalerao) (11:00-13:00)

| time | [id] title | presenter |
|-------|--|----------------------|
| 11:00 | [212] Aspects of Jet Physics | Dr SHARMA, Rishi |
| 11:30 | [213] Experimental overview of jets in relativistic heavy-ion collisions | Dr PRASAD, Sidharth |
| 12:00 | [214] Recent experimental results on vorticity and spin polarization | Dr SARKAR, Debojit |
| 12:30 | [227] Transport coefficient calculations at finite magnetic field | Dr GHOSH, Sabyasachi |
