

International Conference on Physics and Astrophysics of Quark Gluon Plasma (ICPAQGP-2023)

Tuesday 07 February 2023

Parallel Session IB (Chair : Prof. Abhijit Bhattacharyya) (14:30-16:15)

time	[id] title	presenter
14:30	[4] Dynamics and wave phenomena in Relativistic magnetohydrodynamics	Mr PANDA, Ankit Kumar
14:45	[5] Surface effects on hydrodynamic evolution	Dr SAUMIA, P S
15:00	[37] Diffusion of conserved charges in relativistic heavy ion collisions.	Dr MOHAPATRA, Ranjita Kumari
15:15	[63] Kinetic theoretical formulation of relativistic spin-hydrodynamics	Dr BHADURY, Samapan
15:30	[61] Spin polarization and alignments from color fields in the glasma	Dr KUMAR, Avdhesh
15:45	[24] Relativistic spin-magnetohydrodynamics	JAISWAL, Amaresh
16:00	[190] Far-off-equilibrium expansion of a quark-gluon gas and the second law of thermodynamics	Dr CHATTOPADHYAY, Chandrodoy
