

# International Conference on Physics and Astrophysics of Quark Gluon Plasma (ICPAQGP-2023)

## Wednesday 08 February 2023

### Plenary Session II (Chair : Prof. Jean Paul Blaizot) (09:00-10:30)

time	[id] title	presenter
09:00	[199] Initial state physics in relativistic heavy-ion collisions	Prof. VENUGOPALAN, Raju
09:30	[200] Latest theoretical developments towards understanding thermalization in early stages of HICs	Prof. SCHLICHTING, Soeren
10:00	[201] Hadronic structure femtoscopy with the Electron Ion Collider	Prof. TOLL, Tobias
