

International Conference on Physics and Astrophysics of Quark Gluon Plasma (ICPAQGP-2023)

Tuesday 07 February 2023

Parallel Session IC (Chair : Prof. Amruta Mishra) (14:30-16:15)

time	[id] title	presenter
14:30	[222] Upsilon production at LHC energies	Dr CHOUDHURY, Subikash
14:55	[3] Measurement of electrons from beauty-hadron decays in pp collisions at $\sqrt{s} = 2.76$ TeV to 13 TeV with ALICE	SINGH, Vivek Kumar
15:10	[172] Heavy-flavour production measurements in pp and Pb-Pb collisions in ALICE	ACHARYA, Shreyasi
15:25	[31] Heavy-flavour jets and correlation measurements with ALICE	SINGH, Ravindra
15:40	[198] Recent ALICE results on quarkonium and heavy flavor production	Dr PAUL, Biswarup
