

Guidelines for Oral Presentations (Contributory Papers)

Guidelines for paper presentation made on the contributory papers selected:

1. Time allotted for the presentation will be 15 minutes. The allotted time shall be strictly observed.
2. Number of slides in the presentation should be kept minimum (preferably 15-16) excluding the title and acknowledgement slide.
3. The content in each slide should be legible.
4. Take great care in the choice of colours for background and text in the slide.
5. Size of the text should be appropriate.
6. Text in the slides should be optimum.
