

DAE-BRNS symposium on "Contemporary and Emerging Topics in High Energy Nuclear Physics (CETHENP 2019)"

Contribution ID : 60

Type : **not specified**

## **Fluctuations and correlations of conserved charges in hadron resonance gas model**

*Monday, 25 November 2019 16:30 (30)*

**Presenter(s)** : Dr SAMANTA, SUBHASIS (National Institute of Science Education and Research)

**Session Classification** : Day 1, Session 4
